# Alix Partners

**Contact:** Cara Schmidt  
cschmidt@alixpartners.com

**Website:** www.alixpartners.com

**Industry:** Consulting - General

## Company Description:

AlixPartners is a leading global business advisory firm of results-oriented professionals who specialize in creating value and restoring performance. We thrive on our ability to make a difference in high-impact situations and deliver sustainable, bottom-line results.

Serving in a range of advisory, consulting, or interim leadership roles, we focus on solving our clients' most challenging business issues with a cross-disciplinary approach that encompasses everything from enterprise improvement and financial advisory services to information management, leadership and organizational effectiveness, and turnaround and restructuring. Often working in small teams, our "get it done" mindset and specialized expertise enable us to serve a wide range of businesses and industries, whether they are healthy, challenged, or distressed.

We are the trusted advisors to corporate boards and management, law firms, investment banks, investors, and others who value independent strategic thinking, critical insights, and actionable expertise.

# Blue Canyon Partners

**Contact:** Raji Acharya  
raa@bluecanyonpartners.com

**Website:** [www.bluecanyonpartners.com](http://www.bluecanyonpartners.com)

**Industry:** Consulting – Strategic / Management

## Company Description:

Blue Canyon Partners, Inc. helps business-to-business, Fortune 1000 corporations grow. As a management consulting firm solely focused on growth strategies, Blue Canyon brings its experience, methodologies, and proprietary tools to help clients solve their most pressing growth challenges, such as commoditization, industry consolidation, price-based competition, channel conflict, new business entry, acquisition strategies, and major customer pressures.

Our reputation for delivering value has allowed us to develop a diverse, loyal client base among some of the world's most revered companies. Our strategy is to grow. Our success is allowing us to do that.

The extraordinary people of Blue Canyon work on very interesting and challenging projects with the top people in powerful organizations. They deliver rigorous analysis and solve highly complex problems with cutting-edge solutions. Because of the strategic nature of our work, Blue Canyon consultants travel significantly less than other major consulting firms.

**Contact:** Kristin Daus  
kdaus@clstory.com

**Website:** [www.clerestoryconsulting.com](http://www.clerestoryconsulting.com)

**Industry:** Consulting – Strategic / Management

## **Company Description:**

At Clerestory Consulting, we specialize in Change Management. To us, that means helping our clients operationalize their business strategies to produce real results throughout the entire change process. To do that, we have to be implementation experts in the fields of operation that are most critical to successful change - business process, organizational design, project management, technology and training. Clerestory's broad and deep experience helping clients in various industries to solve complex business challenges - coupled with knowing what makes people tick - goes beyond Change Management to real Solution Engineering. Our solutions yield high-impact results that stick no matter where a project is in the change process - even when initiatives are stagnating or outright failing.

# United States Secret Service

**Contact:** Jeremy Rolinski  
Special.Advisors@usss.dhs.gov

**Website:** [www.secretservice.gov](http://www.secretservice.gov)

**Industry:** Government - Federal

## **Company Description:**

The United States Secret Service is one of the most elite law enforcement agencies in the world, and is one of the oldest federal law enforcement agencies in the United States. Charged with a dual mission of investigations and protection, it has earned a reputation for integrity and service to the nation since its inception in 1865. This unique dual mission is what distinguishes the U.S. Secret Service from all other law enforcement organizations.

The Secret Service protects the President and Vice President, their families, heads of state and other designated individuals; investigates threats against these protectees; protects the White House, Vice President's residence, foreign missions and other buildings within Washington, D.C.; and plans and implements security designs for designated National Special Security Events. The Secret Service also investigates violations of laws relating to counterfeiting of obligations and securities of the United States; financial crimes that include, but are not limited to, access device fraud, financial institution fraud, identity theft, computer fraud; and computer-based attacks on our Nation's banking and financial system.
