

THE EXECUTIVES' CLUB OF CHICAGO

GLOBAL THINKERS AND DOERS SINCE 1911

One of America's Most Inventive Companies* Honeywell Chairman & CEO, David Cote

Strengthening Competitiveness in the Global Economy Wednesday, March 20

Over the past 20 years, the global economy has grown at lightning speed: more people, higher productivity and new participants in the global economy with the addition of China, India, former CIS states and Russia playing an important role in greater global prosperity. Join Honeywell CEO David Cote for a conversation about how he believes the U.S. needs to recognize that we're in a different global economy and why we need to pull together to establish an American Competitiveness agenda.
