

Beyond Google & Other Search Engines: How to Get Information & Insight Using Kellogg Subscriptions

Kara Moore,
Kellogg CMC
Librarian

Please join Kellogg Kohorts & the Kellogg Career Management Center (CMC) for an in depth look at all of the great online databases and resources that Kellogg students have access to! Come check out a live demonstration of the most useful database resources, and gain insight into questions such as:

- Not sure what industries & functions you should be considering from a career perspective?
- What do insiders say about specific companies/jobs you might be interested in pursuing?
- How should I utilize database tools for either an Off-Campus job search, or On-Campus Recruiting (OCR)?
